

BUSINESS MEN TO INVESTIGATE

Rumors of Alleged Attempt to Hold Up St. Paul Road.

CITY IS AROUSED

No Valid Reason Why Railway Should Not Get What It Asks For.

A STORM IS BREWING

Citizens in all parts of the city are expressing their disapproval of the stand taken by the common council in regard to the granting of the St. Paul road the privileges that it wanted.

When it becomes generally known that the company will not erect a new passenger station but will remodel the old station by the addition of car sheds extending from the west end of the station towards Pleasant street and will still continue five or six tracks across Academy street, there will be a reaction.

Road Can Get Along

The St. Paul road can get along with what they now have. With a few minor changes they can save themselves a large amount of money, that was intended to be used in building. They are badly crowded at the old station with their numerous trains, but manage to get along fairly well. It is not the people of North High street that object to closing up all but thirty feet of the street. They have all signed a petition to the council asking that the street be closed. It is the people in the outskirts of the First ward that do not use that street once in a hundred times when they come down town, that have made the kick when their attention has been called to it for a reason.

Don't Want Tracks on Street

The business men and property owners on North Main street are not slow in expressing their opinion as to the present state of the Main street and Prospect avenue deal. Most of them are up in arms over the idea of two tracks on the Main street side of the station, with two rows of box cars standing there the most of the time with engines running up and down on the street line. They consider that they were injured enough when the station was located and the only redeeming feature was that there would be no tracks on the Main street side of the station and that Prospect avenue would be macadamized. Now they will have the tracks where they don't want them and the street will still be a sand-pit.

People Favor Improvements

If these matters were put to a vote of the people it would soon be discovered that the citizens of Janesville are in favor of improvement not retrogression. The time will come when something more than a personal view will be taken of the matter and that is what is blocking the proposed changes.

The principal cry of the interested parties is that if you want anything of a railroad company you must get it when they want something.

The railroad company is ready to grant all reasonable demands, but will go without making improvements to help build up the town, before they will be forced to grant unreasonable requests.

Rumors of Hold Up Game

There are all sorts of rumors afloat as to the possible reasons for the objections in the council to change the Prospect avenue grade in the slight degree asked for by the railroad people. Plain everyday people cannot see how a change of 24 inches on a street that is almost impassible should cause such a fuss.

Many believe that it is a plain case of an attempt to hold up the railroad company. The property holders interested would certainly rather have a 24-inch grade depression than two

lines of side track along the side of the street.

This whole matter is assuming a serious aspect and leading business men have started an investigation which may lead to surprising results.

POPE LEO IN GOOD HEALTH

Reports of His Illness Said to Have No Foundation

Rome, June 12.—The report is cable to the United States that the pope is again ill is without foundation. His holiness is well, and yesterday granted audience to the Belgian dominical ministers.

The statements circulated in America shows that the annual reports of the pontiff's condition and fainting fits have already commenced, and as the summer wanes, he no doubt as usual, will be reported at death's door. The truth is, his holiness at present is in exceptionally good health, is enjoying his daily drive and walk, and the heavy cares of state seem to bear lightly on his old age.

LIST OF THE DEAD NUMBER TWENTY

FEARFUL LOSS OF LIFE IN PORT ROYAL COAL MINE.

It is Known That at Least a Score Are Dead, and Quite a Number Are Missing—Names of the Identified Dead—Accident Was Caused by Gas Explosion.

McKeesport, Pa., June 12.—The death list in the Port Royal mine disaster still remains at twenty, but one of the injured miners in the hospital is expected to die.

By the explosion of gas in shaft No. 2 of the Pittsburg Coal and Coke company's mines yesterday afternoon at least twenty men have been killed. Smoke rose from the mouth of the shaft in volumes during the night. Great excitement prevailed and the entire population of the town remained all night at the mine eagerly awaiting some news from those thought to be either buried under tons of slate or slowly awaiting either death from flames or relief from the outside, with small chance favoring the former.

The available list of those supposed to have lost their lives is unobtainable at this hour, and this is a partial list of the supposed dead:

FRANK DAVENPORT, aged 38; married; one child.
ANTONIO STICKLE, aged 38; married; one child.
JOHN PEEBLES, aged 40; married; two children.

JEREMIAH DAILY, aged 40; single.
WILLIAM MCUNE, superintendent of the six mines of the Pittsburg Coal Company between West Newton and Eureka.

WILLIAM ALLISON, superintendent of several mines below West Newton.

DENNIS WARDLEY, pit boss of Port Royal mines.

MICHAEL ROY, pit boss at Euclair mines.

JOHN KECK, pit boss at Darr mines.

PETER MCANTO, boss driver at Port Royal mine No. 1.

BERNARD BALL, leader at Port Royal No. 2.

AN UNKNOWN.

The injured brought out are:

ARTHUR SMITH, pit boss at Smithton mines; both eyes destroyed and fatally burned.

FRITZ KREUTZER, miner; both eyes destroyed and fatally burned.

HARRY BEVERIDGE, machinist; both arms broken and fatally burned.

FLAGLER-M'LAIN MARRIAGE TODAY

Washington, June 12.—Elizabeth Flagler, the daughter of the late Chief of Ordnance Flagler was married here today to Dr. George M. Llain. A little more than five years ago Miss Flagler shot and killed a negro boy who was stealing fruit in the Flagler yard. She intended to scare him. The church was guarded by police to prevent a demonstration by certain colored people who never forgave her.

ENGINE KILLS TWO AT MADISON ROCK COUNTY FARMER RUN OVER

LeRoy Campbell, Living Near Beloit, and His Daughter-in-Law, Suffer Death in a Dreadful Railway Accident Last Night.

Madison, Wis., June 12.—LeRoy Campbell and a woman supposed to be his daughter in law, Mrs. Newton Campbell, were run down and killed by a Chicago & Northwestern train on the Main street crossing in the eastern part of the city at six o'clock last night.

Campbell who lives on a farm near Beloit, was here visiting relatives residing in the town of Cottage Grove, and had driven to the city to do some marketing. He had just started to return to his son's home when the train bound from St. Paul to Chicago, due here at 5:45, came whirling along and caught him at the crossing. The engine struck the buggy midway between the front and back wheels, hurling the two bodies fifty feet and demolishing the vehicle. The horse escaped uninjured.

The woman was so badly mangled that friends who saw here after the accident were unable to identify her positively. Some of them thought

that the body might be that of Campbell's daughter Ella, but the majority were of the opinion that it was that of Mrs. Newton Campbell. The unfortunate man lived for nearly an hour after the collision, but his skull was fractured. His left foot was almost severed from the leg and his left side was cut and bruised.

Campbell was reputed to be wealthy. He owned several farms in this county, and one near Beloit. He came here in 1848 and resided near the city until a dozen years ago, when he moved to his old place near Beloit. He was 65 years old, and she was 28 years. He leaves a wife and several children.

Beloit, Wis., June 12.—The woman killed with LeRoy Campbell at Madison yesterday was Mrs. Newton Campbell, his daughter-in-law. Mr. Campbell left his farm near this city on Monday and drove to Madison to see his son and family. He expected to return today.

COMMENCEMENT AT KEMPER HALL

Miss Emma Wood Winans of This City, One of the Graduates—Acted as Valedictorian.

Yesterday was commencement day at Kemper Hall, Kenosha and Miss Emma Wood Winans, of this city, was one of the graduates. She was honored by being chosen the valedictorian of the class and was one of the three graduates to participate in the program. Miss Winans gave the valedictory and farewell to the class, taking for the subject of her excellent address the words, "Be Steadfast." The commencement address was delivered by Rev. James S. Stone of Chicago.

After the commencement exercise, Bishop Nicholson conferred the diplomas upon the young ladies at the chapel. This was followed by the singing of the class song, the laying of the class stone and the planting of the class tree. The following young ladies were awarded diplomas: Misses Margaret Hathaway Merrick, Sue Marion Miller, Helen Ray Maits of St. Paul, Emma Wood Winans of Janesville and Elizabeth Frances Graves of St. Louis.

GAVE DELIGHTFUL FIVE O'CLOCK TEA

Company of About Sixty Ladies Entertained by Mrs. J. P. Baker and Mrs. H. W. McNamara.

A company of about sixty ladies was delightfully entertained at a five o'clock tea last evening, the hostesses being Mrs. J. P. Baker and her daughter, Mrs. H. W. McNamara. Mrs. Baker's home, 204 South High street was the scene of the pretty social event. The parlors were handsomely decorated with cut flowers and the small tables, at which the luncheon was served, were beautified with ferns. The menu was a very tempting one and was prettily served in two courses. Mrs. Louise Bowerman was the caterer and the hostesses were assisted in serving their guests by Misses Kate Fifield, Louise Shearer, Agnes Shumway, Catherine Fifield, Katherine Smith and Helen Fifield. Misses Ethel and Ann Fifield received the guests at the door.

After the appetizing refreshments the guests passed the remainder of the early evening in playing six-handed euchre, Miss E. Louise Williams winning the lucky number prize. Mesdames Baker and McNamara have also issued invitations for next Saturday evening.

Workmen Show Growth

Buffalo, June 14.—The twenty-ninth annual convention of the supreme lodge of the Ancient Order of United Workmen opened here today. The report of the grand master shows a membership of 420,000.

Round Trip Fare

Commencing with this evening the Janesville Street Railway company will renew its last summer's plan of giving a round trip excursion for five cents during the evening. Transfers to other lines can be secured on application to the motor man, the same rules being followed which governed the round trip plan last year.

District Attorney Jackson will take no steps in the Pendleton case. He is unable to find any section of the statute covering such cases. He is of the opinion that if a person declines to have a physician there is no way their relatives can be punished for not forcing her to have one. As far as the law is concerned the matter will be dropped and her name will be added to the list of Dowie victims.

MODERN WOODMEN HARD AT WORK

Resolution to Maintain Headquarters at Rock Island, and Limit Offices to Two Terms.

St. Paul, Minn., June 12.—The twelfth biennial camp of the Modern Woodmen of America assembled this morning at ten o'clock at the Auditorium, the full complement of 629 delegates being present.

An important resolution was reported providing that the head officers shall maintain offices in the headquarters building at Rock Island, Ill., and that head officers shall not serve more than two terms.

A resolution was adopted providing that each state shall hereafter be entitled to a head physician.

The question of admitting Chicago and five other large cities that are now excluded from membership in the order took up the most of the yesterday afternoon session. J. G. Johnson of Kansas argued that if the larger cities were admitted they would soon get the machinery of the order into their hands and could in a few years control the policy of the order. The matter was made a special order for tomorrow morning and indications point to the defeat of the proposition for admission. Officers will be elected this afternoon.

ON MANAGEMENT OF INSANE PEOPLE

Some Methods of Treating Persons of Impaired Mind Discussed at a Meeting of Physicians.

Milwaukee, Wis., June 12.—Discussions on various topics connected with the management of the insane marked the opening meeting of the convention of the American Medical Psychological association yesterday afternoon. Addresses of welcome were delivered by Governor La Follette, Mayor Rose, and Dr. J. F. Pritchard.

In his annual address President Wise claimed that insanity is primarily and essentially a manifestation of bodily disease. The pathology of insanity is not necessarily confined to the brain, but to all the bodily organs. He sounded a note of warning to superintendents of public asylums against the growing tendency to allow their time and attention to be absorbed by the business and fiscal work of their institutions.

SUICIDE EPIDEMIC AT EMPORIA, KAN.

Mayor Forbids the Publication of Suicide News in the Papers, To Prevent It Spreading.

Emporia, Kas., June 12.—An epidemic of suicides in this town, culminating yesterday in three attempts, all exactly similar to recent successful suicides has caused the mayor and board of health to forbid publication of details of suicides or attempts in local papers. The board is acting on the theory that publication spreads the contagion of suicide psychic suggestion. Mayor Morse contends that the liberty of the press is secondary to the public health, and is prepared to use force, if necessary. All the editors, however, have agreed to suppress details of suicides or attempts until the epidemic abates.

Mrs. McKinley Improving

Washington, D. C., June 12.—Mrs. McKinley's physicians at noon report that she continues to show a slight improvement and expects to spend part of the day in a rolling chair.

BOOM SCOFIELD FOR COMMANDER

Veterans of Civil War Want the Ex-Governor for Head of the Badger G. A. R.

Milwaukee, June 12.—Some of the veterans of the civil war are advocating the election of ex-Governor Scofield to the G. A. R. commandership in Wisconsin this year. The governor has an honorable war record, was a prisoner of the rebels and rose from the ranks to a major-general. Just at present he is quite actively engaged in the lumber business at Superior, and when last in Milwaukee he told his friends that he was a very busy man, having about all that he could attend to although he found it a great relief to be out of office.

However, it is said by Milwaukee veterans that his name will be pushed before the encampment. There is no more popular man in the Grand Army circles than the ex-governor, and if he will agree to be a candidate he will no doubt be unanimously elected.

RECENT RAINS BOOM THE CROPS

WHEAT IS ESPECIALLY AIDED BY THE WET WEATHER.

Hessian Fly Is Doing Great Damage in Some Sections—Corn, While Somewhat Improved, is Progressing Slowly—Crops in Wisconsin Are in Good Condition.

Washington, June 12.—The weekly crop report issued by the weather says much needed and generally abundant rains have fallen during the week in the spring wheat region, which has suffered from protracted drought, and the drought conditions in the lower Missouri valley have been largely relieved, though portions of Missouri continue to need more rain.

Damaging frosts occurred from Washington and Oregon eastward over the northern Rocky Mountain districts to the upper Mississippi valley, the week averaging decidedly cool in these districts, the lake regions and over the northern portions of the central valleys and the middle Atlantic states. As a whole the week has been generally favorable in the districts east of the Rocky Mountains, especially so in the middle Atlantic states and Ohio Valley.

While the weather conditions have been less unfavorable to corn than in the previous week, this crop continues to make slow progress in the principal corn states. A slight improvement is quite generally reported over the southern portion of the corn belt, and generally throughout the southern states. In the Dakotas and Minnesota the crop has been seriously damaged by frost.

Wisconsin—Generous rains very beneficial to all crops, especially in western and northern sections, where drought was becoming serious; corn up, but weather too cool for growth, appearance yellow and unhealthy; spring grains doing fairly well; winter wheat and rye standing well, but straw very short; tobacco setting in progress, plants vigorous; cranberries well advanced and in good condition.

FAITH CURE KILLS A BELOIT WOMAN

Mrs. Setta Rose Takes Dose of Poison, and Physicians Are Not Allowed to Attend Her Case.

Beloit, Wis., June 12.—Mrs. Setta Rose, widow of the late Horace W. Rose, international college secretary of the Young Men's Christian association, died last night from drinking carbolic acid and corrosive sublimate with suicidal intent. Physicians, it is said took charge of the case and had the patient almost out of danger when Mrs. Rose's step-mother and others, who believed in the faith cure, dismissed the physicians. Mrs. Rose's trouble was the result of nervous prostration, aggravated by the death of her husband.

LAUNDRY AT EVERY CROSS ROAD; SCHEME TO HELP FARMERS' WIVES

Stevens Point, Wis., June 12.—F. J. Frost of Almond, who represents the second district in the Wisconsin legislature, wants a steam laundry at every cross-roads in the state, where farmers' wives may bring their weekly washings and thus save themselves one of the hardest duties of their work.

Mr. Frost has not fully developed his idea as yet, and has no definite plan for the establishment and maintenance of the laundries, but he declares his plan is feasible.

He is engaged in visiting the residents of his district, fixing his political districts and incidentally getting views on his pet scheme. He con-

BISHOP SCORES NUDE IN ART

Statuary an Unsuitable Adjunct to a Religious Meeting.

A STRONG PROTEST

The Y. M. C. A. Leaders Object to a Gathering in an Art Museum.

BIG MEETING TODAY

Boston, Mass., June 12.—Bishop Mallalieu and a score or more Boston business men issued a statement protesting against the holding of the Y. M. C. A. jubilee reception in the Boston Art Museum tonight. They have no objection to the reception itself, but are decidedly opposed to the place of holding it, their chief objection being that the art museum is a "place hardly proper for a mixed social gathering of young men and women because of the presence there in many parts of the building of large numbers of fully developed and entirely nude masculine statues."

Does Not Eradicate Decency

The protest says: "Is there anything in the magic word 'art' to eradicate indecency? How can the obscene exposure of the human form be any less potent in seducing thought when chiseled by the master hand? Rather may it not be said that the more exactly art follows the lines of the flesh the more effectively does it exert the same temptations of the flesh."

"Everyone knows that these identical images, or the originals from which these casts are taken, corrupted Naples and other Latin cities whence they are obtained are sunk in the mire of vice. Why then should any Christian association ally itself to a propaganda of nudity, which, wherever it has been patronized, has brought moral decay, which in turn has led to physical decay and likewise to national decay? Would it not be wiser for art museums in America to follow the example which in the Vatican covers with imitation leaves the immodest statues that have come down from a corrupt age?"

"The Young Men's Christian association is a soul-winning organization, with a splendid record of half a century."

"Nude art never helped a soul to believe in the Lord Jesus."

Much Enthusiasm Seen

Two big meetings, each marked by enthusiasm, were the features of the second day of the jubilee convention of the Young Men's Christian association. Over 2,000 people were present at the morning session. Red, white and blue streamers in narrow bands valuted the lofty ceiling, while around the upper balconies in large letters ran the names of all the states.

Everything that tends to give the jubilee a new world character has been utilized. The presiding officer's rostrum was on a platform slightly elevated from the floor. It was draped with the national colors and its front ornamented with the insignia of the Young Men's Christian association. The hall was planted with standards and the delegates were grouped by states under the standards.

Chinese Exclusion Act

Washington, June 12.—The agitation to renew the Chinese exclusion act, which expires in May, 1902, has already begun by labor organizations affiliated with the American Federation of Labor and a strong fight against Chinese free labor is in sight. An appeal has been addressed to congress to amend the law.

Twenty Eight Were Drowned.

Vienna, June 12.—The village of Nanders, Tyrol, was swept by a flood today and twenty-eight persons were drowned.

CLAM FISHER FINDS A FORTUNE PEARL WORTH \$50,000 IN THE RIVER

Chicago, June 11.—Three weeks ago last Friday a Wisconsin clam fisher put his hook down into the muddy waters of the Mississippi near Lansing, Ia., and floated in his boat with the current until he reached Prairie du Chien. Somewhere between these two points he caught on his shell a clam, in whose shell was hidden the largest and most perfect pearl ever found in America.

At that time the pearl was thought to be worth several thousand dollars. It is now locked in a vault at H. Deakin's art rooms in the Fine Arts building where everybody in Chicago who knows anything about pearls is going to look at it. Mr. Deakin was

offered \$40,000 for it today. He refused to sell it, because he thinks the pearl is worth \$50,000.

The connoisseurs who have seen the pearl since Mr. Deakin bought it a fortnight ago pronounce it to be the most wonderful ever found in America. They say that it is equalled by few in any other part of the world.

It weighs 103 grains, and is pear-shaped, measuring more than three-fourths of an inch in length and five-eighths of an inch in diameter. It is a perfect pink, and so lustrous that one can see the reflection of one's face in it. In the sun its glows with warm lights and seems to be alive with opalescent color.

SIXTY-FOUR YEARS IN WISCONSIN; PIONEER RECORD OF E. G. FIFIELD

Honored Citizen of Janesville Reached the Badger State June 11, 1837—Walked From Detroit to St. Joe, and From Milwaukee to Bark River.

Yesterday, a bright, sunny day, there being no human habitation on the way, marked the completion of the sixty-fourth year which E. G. Fifield, of this city, has spent in Wisconsin. This statement of the length of time which he has resided in the state does not begin to measure what those sixty-four years have meant to the state, which was but a tangled wilderness when Mr. Fifield came here, but which he has seen blossom like a rose under the genial influence of progress and prosperity.

Wisconsin was a far different place on the 11th day of June, 1837, when Mr. Fifield, with a party of eight persons, landed in Milwaukee. The party left Montpelier, Vt., May 15, making the trip which now takes two days, in twenty-seven.

Walked From Detroit to St. Joe. The first stages were made in an old fashioned Concord coach, which was followed by canal boat and steamer transportation until the party reached Detroit, when it was determined to go across the lower peninsula of Michigan instead of continuing by water. The young men of the party, Mr. Fifield among the number, walked from Detroit to St. Joseph, Mich., a distance of 280 miles. At St. Joseph they secured passage on a small schooner, reaching Chicago during the first week in June and Milwaukee on the 11th of the same month.

At that time the population of Chicago was less than 3,000 people and that of Milwaukee less than 500. Milwaukee then had three divisions, Juneau on the east side of the river, Kibbortown on the west side, and Walker's Point on the south side.

Trip to Bark River. In the party of which Mr. Fifield was a member there was a Mrs. Brown with her five children, who had expected to meet her son, E. G. Darling, at Milwaukee. On her arrival she found that her son was fifty miles out in the country at Bark River, now Hebron, Jefferson county, building a saw mill for the Rock River Land Co. It was a serious matter how to notify Mr. Darling that his mother and her family were in Milwaukee and Mr. Fifield volunteered to walk to Bark River and tell him.

Mr. Fifield's offer was accepted and he followed the blazed line and waded on tracks through the Milwaukee woods to Prairie Village, now Waukesha, and from there took the Rock River trail to Bark River. Proceeding on his journey in due time he came to a double log house built of tamarack logs and on inquiring the distance to Prairie Village was informed that he was already there. He passed the night at a house about a mile further on on the trail to Bark River and the next morning he started on his lonely journey of thirty miles through the woods.

When Mr. Fifield came to Wisconsin there was not a frame house in the Rock river valley above Beloit and there was no bridge or established ferry across the river. The nearest post office was at Milwaukee and all provisions had to be hauled from that place or the south. In looking back to those early days over the great changes which have been wrought by man's industry and in which Mr. Fifield played an important part, his memory must be enriched by many pleasant reminiscences. It is the hope of his many friends that he may live long to enjoy them and to see future progress.

PRESBYTERIAN ANNUAL BANQUET; PARLORS OF CHURCH CROWDED

There was at least one place in the city last evening where thoughts of the sudden and oppressive heat were not permitted to dwell uppermost in the minds of the people. That place was the Presbyterian church where all feelings of discontent were put to flight by the genuine enjoyment attendant upon the annual banquet of the church.

Despite the heat over two hundred of the church people gathered to participate in the pleasures of the evening. The parlors of the church were used as reception rooms and the guests were welcomed with a cordial greeting that effectually banished all formality. The brief time spent in the reception rooms was one of pleasant sociability.

The banquet was served in the basement dining room of the church which was filled with long tables, daintily spread and tastefully decorated. Pink and white peonies were used in profusion and potted palms added their graceful beauty to the pleasing decorative effect. Covers were laid for 210 people and every place was filled. The supper was an elaborate and appetizing one and was faultlessly served by daintily gowned young ladies, assisted by several young men. The service was under the efficient direction of Mrs. Myrtle Whetstone.

During the post prandial program the Rev. J. T. Henderson officiated as toastmaster and his clever stories and pertinent remarks doubled the pleasure which was given by the excellent responses to the toasts.

The first response was given by Miss Grace Kirk, the toast being "Timely Words in Numbers." In behalf of "Old Mother Church," she bade the guests a cordial welcome to the reunion, having a word of special greeting for each department of church life. The response was a very pleasing one, being written in rhyme and full of allusions which were appreciated by the great audience.

In response to "Our Better Half" Mrs. A. A. Jackson spoke in very entertaining manner of the Ladies' Aid Society, which, she said, was far too modest to arrogate to itself the title

must cultivate the talent in its midst and the boys' choir is a move in the right direction while a children's chorus is very desirable.

Miss Louise Hanson told of "Our World-Wide Work," presenting very pleasantly the work of the Woman's Missionary society which completed its fifteenth successful year last September. The society has a membership of sixty with an average attendance of thirty-four. It has given \$168.74 during the past year and the meetings have been most enjoyable.

In "The Hope of the Church" J. F. Wortendyke recognized the Sunday school of which he is superintendent and he urged the importance of bringing young people up in the influence of the church and the Sunday school. During the past year \$142 has been expended on the Sunday school which has an enrollment of 300 members and an average attendance of 50 per cent, except at Christmas when it reaches 80 per cent, a figure which should be maintained at all times.

"Our Young People" was the topic assigned Miss Louise Crosby who told in a very pleasing manner of the Christian Endeavor society which has over sixty members. She spoke of the plan of the meetings and of the social feature of the work and the fact that the society owes no amn nothing. She also urged the need of young men in society.

"Our Rulers" was interpreted to mean the elders and Edward Ruger for twenty-eight years a member of the session, responded very happily. He paid an eloquent tribute to the pastors whose leadership the church has enjoyed and to their wives, also to some of the men who have formally served in the session of the church. He urged the members of the church to gather round the pastor and uphold his hands and suggested that a grand thing it would be to duplicate last evening's attendance at the prayer meeting services.

Before closing Rev. Henderson spoke a word of appreciative thanks for the souvenir programs which were donated by B. C. Jackson. The audience then sang "Blest Be the Tie" the pastor pronounced the benediction and a delightful church event became a happy memory to be ever cherished by the participants.

AMUSEMENT NOTES.

The success which has greeted Clyde Fitch's play of "Nathan Hale," so far this season has been almost phenomenal, and there is every reason to believe that the engagement at the opera house June 14 will add to its successful career. Considerable interest is manifested in the coming of "Nathan Hale," first on account of the popularity of its author, Clyde Fitch, who seems to hold first place among the American writers at present, and secondly, because it will be seen here for the first time since its production, with a new star. The entire original production is carried by the company which is headed by Mr. Howard Kyle, a most reputable young actor, in the title role.

The Hortense and Marie Nielson company is in town, and is the best looking company that has ever come to Dixon. They will open this evening with this season's New York great success "Under Two Flags," now playing in its fourth month at the Garden theatre New York. The plays are started by J. H. Lewis of Wallack theatre, N. Y. They use two horses and a band of music on the stage. This is without doubt the best company that ever played in Dixon at cheap prices—Dixon, Ill., Journal. This company will appear at the Myers Grand for three nights beginning June 17.

Mrs. John Armstrong Dead. Mrs. Fox, who will be remembered by friends in this city where she formerly resided, as Mrs. James Armstrong, died at her home in Missoula, Montana, on the twelfth of last month. She had been a helpless invalid for many years and her daughter, Miss Carrie Armstrong, had been her devoted nurse, making the closing years of her mother's life as easy and pleasant as possible. Besides the daughter who cared for her so lovingly, Mrs. Fox left two sons, Duane Armstrong, of Missoula, Montana, and John Armstrong, of Wisconsin, Montana.

Half the ill that man is heir to comes from indigestion. Burdock Blood Bitters strengthens and tones the stomach, makes indigestion impossible.

Accidents come with distressing frequency on the farm. Cuts, bruises, stings, sprains. Dr. Thomas' Eucalyptic Oil relieves the pain instantly. Never safe without it.

"Little Colds." Thousands of lives sacrificed every year. Dr. Wood's Norway Pine Syrup cures little colds, cures big colds too, down to the very verge of consumption.

Itching piles? Never mind if physicians have failed to cure you, Try Doan's Ointment. No failure there. 50 cent, at any drug store.

Beaumont Oil Fields. Low rates, direct line, excellent train service, via Queen & Crescent route.

W. C. Rinearson, G. P. A., O'neill

"Buy Mrs. Austin's Wheat Food, made from finest Red River Valley Spring Wheat. Your grocer will supply you."

FIGURES ISSUED BY CENSUS OFFICE

Combined Population of Incorporated Towns and Cities Constitute 47 Per Cent of Population.

Some significant figures are shown in a bulletin just issued by the census office showing the population of the incorporated places in the country. It shows that there are 10,602 such places as compared with 7,578 in 1890.

The bulletin shows 38 cities containing more than 100,000 people each. Of the large cities in 1900 three, New York, Chicago and Philadelphia, contain upward of a million while for cities having between 500,000 and 1,000,000 inhabitants those in 1900 number three as against one only in 1890. There are no cities in 1900 containing between 400,000 and 500,000 inhabitants, but at the census in 1890 there were three cities in this class.

On the other hand there are five cities in 1900 with a population between 300,000 and 400,000, but in 1890 there were no cities coming between these limits of population.

Of the total number of places in the list almost one-half, or 4,313, contain fewer than 500 people, while there are 2,501 places of between 500 and 1,000. Of the states Illinois leads with 930 incorporated towns and Pennsylvania comes next with 833. New York has 438 such places. There are no incorporated municipalities in Alaska. The incorporated places contain, in the aggregate, 35,849,516 inhabitants, as compared with a total of 26, 979,828 persons living in incorporated places in 1890.

The combined population in the incorporated towns and villages constitute 47 per cent of the population of the entire country as against 41 per cent in the towns in 1890. In the state of New York, which takes the lead in this respect, 77 per cent of the people live in cities and towns as against 63 per cent, in 1890. In six other states, namely Massachusetts, Illinois, Rhode Island, Pennsylvania, Colorado and Connecticut, more than two-thirds of the people live in incorporated places. Mississippi has the smallest percentage of its people living in the towns, the percentage being 15.

BELIOT SHUTS OUT THE PURPLE

Morey Holds the Northwestern Batsmen to Three Lonely Hits.

Beloit, Wis., June 12.—The game with Northwestern yesterday was a clean walkaway for Beloit, and the visitors were shut out by a score of 12 to 0. At no time was Beloit's home plate in danger, although in the last inning Scheiner had a chance to save Northwestern's clean score of goose eggs. Two were out and two were on bases, and everything depended on his making a hit but he failed. Morey's work in the box for Beloit was satisfactory. Only three hits were made off him and two of those were scratches.

Mr. Babcock has some ideas on tariff revision that will be interesting reading to Messrs. Schwab, Morgan and Rockefeller.

HOSTETTER'S
CELEBRATED

STOMACH
BITTERS
Indigestion, Dyspepsia, Flatulency and Biliousness. If not attended to, creep through the body, upsetting the stomach, causing general trouble. The Bitters will cure these as well as Liver and Kidney Affections. Try it.

FREE EXAMINATION!

WE KEEP THE QUALITY UP

Carpet Selling..

All carpets for miles around must have worn out about the same time, judging from the number we have sold, and the demand is not yet over by any means. We bought an immense lot of carpets early in the year and thought we would have enough to last through the spring season. Since then we have bought many pieces, in fact have been receiving shipments several times each week since May 1st. THE RESULT IS, our stock is in excellent condition now, having a splendid assortment of the very newest patterns in the several grades that we handle. If you need carpets, here's the place to come for them. How about carpets for the new house?

RUG BUSINESS

Largest and most complete line of RUGS we have ever shown. Over 1,000 rugs to show you. Shapes and sizes to fit in anywhere. Ingrain and Brussel, Ingrain Art Squares, 100 of them. Smyrna and Velvet Rugs in extra large sizes for rooms in place of a carpet, 50 styles; also Moquette and Japanese, large variety. Oriental Rugs, on these we positively save one money. We sell them at a much smaller margin of profit than the large city houses, to which many people can attest. How many dollars extra is it worth to you for the satisfaction of buying in Chicago? It is not for us to say where one shall buy. All we ask is an opportunity to substantiate our claims. Before buying call and be enlightened regarding our stock of ORIENTAL RUGS.

Matting.

Have you a summer cottage to furnish? Are there some up-stairs rooms that need a new floor covering? So many rooms for which matting is just the thing. 200 rolls of matting to show, plain and fancy, all matting and cotton warps. Prices within easy reach.

BAG TOPS

A new lot of them just received from New York. We have all the materials necessary for making the "fad" purses. Have had some trouble keeping the "tops" in stock, ours are so desirable. Plenty now.

Folding Jap. Fans

From Vantine & Co., New York, the largest importers in America of Oriental Novelties. We bought about 700 Japanese folding paper fans comprising some beautiful creations in light and dark fans, prices start at 3c and end at 40c. The decorations on them are very late and distinctly Japanese. Lovely fans at 10c, 15c, 25c, and so well made.

Turkish Towels

Headquarters for turkish bath towels. We emphasize a lot that we offer at 12.1-2c. Not every day can such a bargain be found, being worth about double what we ask. Have great values in turkish towels at 25c. After the bath a good Turkish towel's the thing.

SAN DIRIGO CIGARS

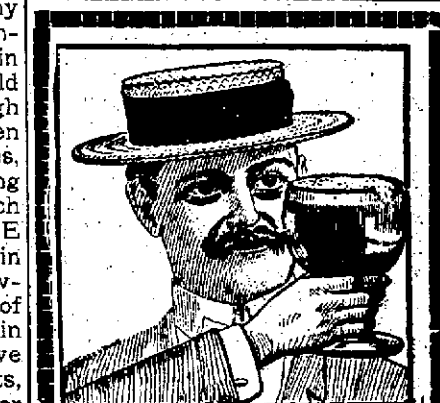

Twenty five boxes of these famous 5 cent cigars go at

\$1 Per Box

50 cigars in a box. Call early. A snap to smokers.

DEATH KNELL OF HAZING

It Is Sounded by War Department's Regulations.

RULES ARE MOST STRINGENT.

Dismissal Is the Punishment for Violating the Regulations at West Point Military Academy—Students Are Prevented Humiliating Their College Mates.

New York, June 12.—Regulations absolutely prohibiting all forms of hazing and providing dismissal as punishment for their violation have been made by the war department for the West Point Military Academy. The definition of the offense is given in such detail as not only to do away with the more violent forms which led to the recent investigation at the academy, but to forbid so-called bracing, fagging and other mild forms of cadets recently went to such lengths hazing, to retain which fifty-seven as to bring upon themselves severe punishment. What shall constitute hazing is set forth as follows:

"Any cadet who shall strike, lay hands upon, treat with violence, disturb in his room or tent, or offer bodily harm to a new cadet or candidate, with intent to punish, injure, annoy, molest or harass the same, or who shall, with the same intent, invite, order, compel or permit a new cadet or candidate to sweep his room or tent, make his bed, bring water, clean his arms, equipments or accoutrements, or perform any other menial service for him, or to assume any constrained position, or to engage in any form of physical exercise, or who shall, with the same intent, invite, order or compel any new cadet or candidate to eat or drink any article of food, or to take into his mouth any article whatever, or to do for him anything incompatible with the position of a cadet and gentleman, or any cadet, whose duty it is to enforce camp, barrack or mess regulations, who shall permit any new cadet or candidate to eat or drink any article of food, or to take into his mouth any article whatever in violation of said regulations, shall be summarily dismissed from the military academy." Hazing also includes any other treatment of a "tyrannical, abusive, shameful, insulting or humiliating character." Duelling or personal combat is also prohibited and the principals and other persons involved, or any cadet abusing or condemning another for declining to accept a challenge, will be dismissed.

KILL RICH MINE MANAGER.

Robbers in Mexico Slay English Capitalist for His Money.
Mexico City, June 12.—Robert Remmett, 51 years old, a wealthy Englishman and manager of the Coronas Distas Mining company, was shot by robbers at his mine. There was a desperate encounter with the watchman and a servant and both were hacked to death with machetes. The robbers then encountered Remmett and shot him through the heart. Then, entering the house, they ill-treated his wife and obliged her to disclose where her jewelry and money were kept. Remmett came here from London twelve years ago as manager of the Mexican Company of London. His tragic death arouses much sympathy. He and his wife were about leaving Mexico for England on a pleasure trip and it is supposed the robbers calculated they would have a large amount of money in their hands.

Bishop Scores Nude Art.

Boston, Mass., June 12.—Bishop Mallicote and a score or more Boston business men have issued a statement protesting against the holding of the Y. M. C. A. jubilee reception in the Boston Art museum tonight. They have no objection to the reception itself, but are decidedly opposed to the place of holding it, their chief objection being that the art museum is a "place hardly proper for a mixed social gathering of young men and young women, because of the presence there in many parts of the building of large numbers of fully developed and entire nude masculine statues."

TESTS BRAIN BY MACHINE.

Iowa Professor Invents Novel Instrument.

Omaha, Neb., June 12.—Professor Carl Seashore of the Iowa state university has invented a machine which he calls the "psycho-graph," designed for testing the human brain. By it, he says, can be determined "what you are good for."

The inventor asserts that his machine will be of special value to employers who desire to determine the relative brightness and ability of candidates for positions. The instrument is the only one of the kind and the original model has been used to study the school children of Iowa City. It has been remarkably successful, picking out the brightest pupils, the dull and the nervous.

The machine is simple and consists of two parts, one looking like a typewriter and the other like the recording apparatus on a telegraph instrument. Its operation is also simple, the closing of an electric key and the pressing of a clock lever being all that is necessary to make the recording go on automatically.

To make the desired test the person sits in front of the instrument and places a finger on each of the four keys as on a typewriter. Those keys are labeled with colors. The key of the color touched by the person being tested is then touched by the operator and by electrical action the color in the slot is immediately changed. This color key is pressed, another color appears, and the action is continued as long as desired.

The other part of the machine records, by means of five pencils working on a continuous tape, the amount of work done, the time required for each action, and the quality of the work.

Low Rates to Buffalo Exposition.

Via the Nickel Plate road. Three through trains daily, with vestibuled sleeping cars, and excellent dining car service, meals being served on the American Club meals plan, ranging in price from 35 cents to \$1.00. Chicago depot, Van Buren street and Pacific avenue, on the elevated loop. Write John Y. Calahan, general agent, 111 Adams street, Chicago, for full information and beautifully illustrated descriptive folder of the Exposition buildings and grounds.

STATE OF OHIO, CITY OF TOLEDO, ss.

LUCAS COUNTY.

Hall's Family Pills are the best.

Appointed for Porto Rico.

Washington, D. C., June 12.—The president appointed James A. Buchanan, lieutenant colonel of the Porto Rican provisional regiment of infantry. William E. Almy and Edwin Swift are appointed majors in the same regiment.

Home for Old Maids.

Evansville, Ind., June 12.—The will of Mrs. M. J. Carmody, one of Evansville's wealthiest women, has been filed for probate. She directs her husband to erect a home for old maids and widows.

Shoots the Wrong Couple.

Centralia, Ill., June 12.—Peter Gooch of Omega township shot and fatally wounded Nathan Cox and wife, mistaking them for his own wife and a companion. Gooch is under arrest.

Tornado in Minnesota.

Minneapolis, Minn., June 12.—A tornado early this morning struck Adrian, Minn. Many buildings are reported wrecked.

Callsthenies

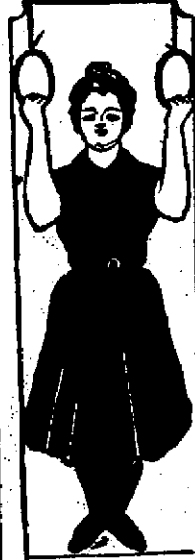

Are a benefit to healthy women. But to women who are suffering from diseases peculiar to their sex they are an injury. When there is weak back or bearing-down pains, headache or other indications of womanly weakness, exercise can only aggravate the condition. The womanly health must be first restored before strength can be developed by exercise.

"Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It does this by healing the womanly diseases which undermine the general health. It stops the drains that weaken women, heals inflammation and ulceration and cures female weakness."

"When I first commenced using Doctor Pierce's medicine," writes Mrs. George A. Strong of Gansevoort, Saratoga Co., N. Y., "I was suffering from female weakness, a disagreeable drain, bearing-down pains, weak and tired feeling all the time. I dragged around in that way for two years, and I began taking your medicine. After taking first bottle I began to feel better. I took four bottles of Dr. Pierce's Favorite Prescription, two of 'Golden Medical Discovery,' one of 'Pleasant Pellets,' also used one bottle of Dr. Sage's Catarrh Remedy. Now I feel like a new person. I can't thank you enough for your kind advice and the good your medicine has done me."

"I have a sister who is taking your medicine and it is helping her."

Dr. Pierce's Pleasant Pellets promote regularity of the bowels, and assist the action of "Favorite Prescription." No other laxative should be used with Dr. Pierce's Medicine.

SHEEP—4¢/4½¢; lamb, 4¢/4½¢.

FRILLS OF FASHION.

The application of one kind of lace upon another is a popular trimming this season. Fine guipure motifs on a tambour lace is a combination in vogue.

A novel trimming for veiling gowns is taffeta in the same tint decorated with pink roses, hand embroidered. Lattice effects in narrow silk bands stitched on are very effectively used on the veiling costume. The silk matches the veiling.

Dainty gowns of cream-white crepe de chine are trimmed around the hem with raised chiffon flowers.

Another idea for trimming thin gowns is sewing one row of narrow black velvet ribbon just underneath the edge of a lace frill.

For Over Fifty Years.

Mrs. Wessinger's Sore Throat Syrup has been used for children while teaching. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for croup, whooping cough, and all the ailments of the throat. Twenty-five cents a bottle. Sold by druggists throughout the whole world.

\$13.00 to Buffalo and Return, \$13.00.

Via Nickel Plate road from Chicago for the Pan-American Exposition. Tickets on sale daily good leaving Buffalo up to midnight of tenth day from and including date of sale. Also tickets on sale daily Chicago to Buffalo and return at \$16.00 for the round trip, with fifteen day limit, including date of sale. \$21.00 Chicago to Buffalo and return good for thirty days. On all through tickets to points east of Buffalo, privilege of stop-over at Buffalo may be granted by depositing ticket with joint agent and payment of fee of \$1.00. Write John Y. Calahan, general agent, 111 Adams street, Chicago, for full particulars and folders showing time of trains, etc.

SIR WALTER BESANT.

England's most noted novelist is dead. Sir Walter Besant has left many writings, which place him in the foremost ranks of English novelists, and he has been an untiring worker in sociological problems, which have borne much fruit.

He will be remembered for three things: First, his literary efforts have been eminently successful, "All Sorts and Conditions of Men," is perhaps the most characteristic of his works and its success is due in part to Mr. Besant's lifelong friend and partner, Mr. Rice.

Few literary men are good business men, and Mr. Besant realized this in engaging Mr. Rice to manage the sales of his literary efforts.

Again Mr. Besant's sociological interest resulted in the establishment of "The People's Palace," a club for the poor-people of London. This project was consummated during Queen Victoria's jubilee; and she paid the writer a compliment by riding in state to the club, and personally superintending the dedication ceremonies.

The third effort of Mr. Besant for which the literary men of the country will ever be grateful, was the establishment of an international copyright law. He labored unceasingly for this object, and today literary men of Europe and America enjoy protection in the sale of their wares as the result of his never flagging work.

If there is anyone who needs encouragement and help, it is the aspiring writer. Many of this class have cause to remember with gratitude this able man who has done more for the weaker writer than any other man in England.

The world can ill afford the loss it has suffered in the death of this worthy and renowned writer and sociologist.

Dr. Patton says the American boy of today must not dream of wealth, for nothing but hard work and disappointment awaits him. Although the point is not well taken, yet the president probably wishes to let the grad, down easy, rather than allow him to take the tumble most of them experience soon after they are "it."

The utilization of by-products seems to be the aim of scientists today. A patent has been granted for the manufacture of sugar from sawdust, and molasses from leather and old rags. We shall welcome the day when coal can be made from ashes and groceries from weeds.

Five hundred and sixty-one laborers were summoned to court in England recently and on being accused, demanded a separate trial for each. Argument was in vain, and the justices are kicking themselves for instituting proceedings.

Patti gives advice to those seeking health and youth. Early to bed and early to rise, combined with moderation in all things. And she might add unnumbered farewell tours.

A man committed suicide the other day because his means were not equal to his ambition. The man whose condition of life is equal to his ambition, is a hopeless case and has little to live for.

Farmers have to be better educated now in order to reach success, than in former years. Nothing can supply this education so well as a traveling library of good books on agriculture.

The critics of the army canteen can find food for reflection in the fact that England has purchased 10,000 hogheads of beer for her troops in South Africa.

The Committee of Fifteen of New York has not cleaned the Augean stables, but it has furnished a comedy of the first order.

Why don't some one show us how to turn our furnace into a refrigerator plant?

When orange and green gets mixed up in Belfast, red usually results. It's the ice man's turn to smile now.

To the Good Roads Committee. Gentlemen: Have guide boards been put up on your roads? The first notice was sent to chairmen of town boards early in the spring. A second notice was served early in April. Will have your riders report all roads in Rock county not having guide boards July 1st, and complaint will be made to your district attorney at once. The fine is \$5 in each case, and as you will probably find some ten to twenty who have not given it attention it will make quite a sum. The law is plain on this subject and will be enforced. Please advise us by July 5 as above. Respectfully yours, State Committee.

HIGH SCHOOL GYM. IN LACK OF EXITS

Gives Parents of Children Who Go to This Place a Great Deal of Uneasiness.

The lack of exits at the high school gymnasium is causing the parents of children who attend gatherings in that part of the building a great deal of uneasiness.

At the present time there are two exits, one at the north end of the room and another small one at the East side. Neither of these exits is large enough to take care of the people in case anything should arise that would cause a panic.

They frequently have eight or nine hundred people in the place and in case of a fire or other happening, that would cause a panic, numbers of the children would surely be smothered or badly injured.

A prominent third ward citizen who has several children in school said: "He would not allow his children to attend any exercises in this room when a large crowd would be present simply for this reason."

If such a thing is possible this defect should be remedied before any more large gatherings are held in the room.

NEWS TERSELY TOLD

See the little ones in their cunning motion songs at the Congregational church tonight.

The concert at the Congregational church tonight will begin promptly at 7:45 o'clock. Tickets only 15 cents.

John Muehney, an employee of the St. Paul road, smashed his right thumb badly while unloading rails from a car. Dr. Joe Whiting dressed the injury and hopes to be able to save the thumb.

Miss Pearne Peake will sing three numbers at the concert given by the Children's choir of the Congregational church tonight. Among them will be Guano's "Ave Marie," accompanied by organ, piano, violin and cello.

A large bay team belonging to James Banfield became frightened at a freight car standing on North River street, at about 1 o'clock this afternoon, and ran down river street. Little damage was done.

Members of St. John's Lutheran church will hold their annual picnic at Crystal Springs park all day tomorrow. The first boat will leave at 10 o'clock. At 1 o'clock the next boat will leave, and every hour afterwards. Games will be played and open to all. Good prizes are offered.

The school year for the State School for the Blind closed today. There were no formal exercises as there were no graduates this year. Tonight the students will enjoy a social at which ice cream and cake will be served.

The sizing department in Carle's tobacco warehouse closed yesterday and the occasion was made one of pleasant recreation for the employees. The young women presented their foreman with a handsome fountain pen and the men gave their foreman a similar token of esteem.

Barney Cunningham of Beloit is visiting relatives in this city.

Mrs. Plantz of 203 South Bluff street, who was injured by falling down stairs last Thursday is getting along nicely and the attending physician, Dr. W. H. Judd, has taken the stitches out of the long gash in her head.

Mr. and Mrs. Alex Galbraith have returned from a two weeks' trip in the east, having visited Philadelphia, where Mr. Galbraith officiated as judge of Hackneys at the great open air horse show; also New York and Buffalo. They report the exposition as one well worth seeing, but many exhibits are not in position yet. It will be in full running order by next month.

MAGNETIC HEALING

Cures Without Drugs or Surgery.

Prof. Funk's Liberal Offer!

Beginning Monday, June 10th and continuing until further notice, Prof. Funk will give treatments Monday, Wednesday and Friday, of each week absolutely free of charge. This offer includes those who are at present taking treatment as well as those who have delayed doing so until now. Although Prof. Funk's time is almost fully occupied in treating the vast number of suffering people who daily visit him, seeking relief. Yet he makes this most generous offer, so that all may avail themselves of the opportunity of testing the merits of his Magnetic treatment. Since coming to Janesville the public have set the seal of approval on Prof. Funk's work in no undecided manner and scores of people are now enthusiastic advocates of his method of healing. Prof. Funk respectfully refers to Mrs. Herman Krebs, Mrs. Hannah Armfield, who have been cured by him after all else failed, being convinced beyond any doubt that Prof. Funk's method of treatment possessed true merit and was a real success.

Prof. Funk gives everyone the benefit of examination and consultation absolutely free, if therefore you are afflicted and are seeking relief, consult Prof. Funk, whose watchword is success and whose mission is the alleviation of human suffering.

RUN DOWN BY A ST. PAUL ENGINE

HORRIBLE ACCIDENT TO CHRIS. HARTLIFF OF BELMONT.

Had His Leg So Badly Crushed That It Was Amputated Midway Between the Ankle and the Knee—The Details of a Sad Accident This Morning.

Chris. Hartliff, a resident of Belmont, Wis., and employed by the St. Paul railroad company in their gravel pit west of the round house on the Mineral Point division, was run down by a St. Paul engine at the Five Points at 6:30 o'clock this morning and had his right leg so badly crushed that it had to be amputated midway between the ankle and knee.

Hartliff is a member of the crew employed in putting in the long sidings and is about fifty-five years of age. He was crossing the tracks at the Five Points on his way to work. A Northwestern engine was coming up out of the yards south of Pleasant street and Hartliff hurried across the tracks in front of the Northwestern engine only to be struck by a St. Paul engine in charge of Engineer Helm and Conductor Fraunfelder, going west on their way to the gravel pit.

The engine was moving slowly and as the pilot struck Hartliff, knocking him down, Engineer Helm shut off steam and put on the air brakes, bringing the engine to a sudden stop. Yardmen and bystanders who saw the accident went immediately to the rescue.

He was lying on the south side of the tracks with his right leg under the pilot and just in front of the first wheel on the track, which it is thought did not pass over the limb. He was lying in such a position that the engine had to be backed up before he could be removed from the tracks.

The ambulance was summoned and soon arrived on the scene and the injured man was placed upon the stretcher and taken to Mrs. Henderson's hospital on South Main street, where Dr. Joe Whiting, the company's surgeon, and Dr. S. B. Buckmaster, were called to attend him. They found the ankle crushed and the bones smashed. The muscles in the outside of the leg were all torn loose and the foot was hanging to the leg by a few of the muscles. They removed the leg midway between the ankle and the knee, and if nothing unforeseen happens think he will get along all right.

Hartliff was old and rather stiff and could not make very quick moves. This is the main reason for his being struck by the engine.

CELEBRATE THEIR GOLDEN WEDDING

Hon. and Mrs. G. F. Sayre of the town of Porter, highly esteemed residents of Rock county and well known in this city, celebrated their golden wedding at their home Monday. The pleasure of the occasion was shared by their four children, Mrs. George G. Sutherland, Mrs. W. C. McManus, G. F. Sayre, Jr., and James E. Sayre.

Mr. and Mrs. Sayre were married at Madison, N. J., and came direct to Wisconsin, where Mr. Sayre had purchased a farm, having been sent to Janesville some time before as an attorney for an eastern company.

ANOTHER SLASHING SALE

Brown Bros. Will Give the Public Another Benefit Saturday

On Saturday next, Brown Bros., the well known shoe firm on the bridge, will hold another one of their famous \$2.98 shoe sales. This means that he public will be given their choice of any pair of men's or ladies' shoes in their store at the unheard of price of \$2.98 per pair. These sales of Brown Bros. have attracted wide attention whenever held. This reliable firm do at all times just as they advertise. The sale Saturday will include the latest styles in summer shoes which include patent leather and vici kid in both high cut and oxfords. The celebrated Douglas \$3.50 and \$4 shoes also are included in this sale. All in need of shoes will do well to be on hand Saturday and purchase their supply for the summer. No customers will be annoyed for the lack of clerks. Plenty of help has been engaged and no one will be obliged to wait. Remember the day, Saturday, June 15.

DRINKERS SHOULD BEWARE.

All lovers of good coffee should realize the fact that Stevens makes a specialty of this grade of goods. Coffee has at all times held a most prominent place in the Stevens store. For the sum of 25 cents one can obtain here a blend of coffee that equals in many respects the 40 cents a pound article.

Five, \$4 and \$3.50 shoes are included in Brown Bros.' famous cut rate sale next Saturday.

About forty-five attended the Foresters' excursion to Madison yesterday. All report a most enjoyable time.

There will be a regular meeting of the carpenters' union at Assembly hall, Friday evening at eight o'clock. By order of Committee.

Electric light suspended in the street at that point breaking the globe. Business men on the corner say that it is a common occurrence.

The trolley pole on electric car No. 6 jumped the trolley at the corner of West Milwaukee and Franklin streets this morning and struck the shoe buyers make no mistake when they attend Brown Bros.' \$2.98 sale next Saturday. You have your choice of any pair of shoes in the store at \$2.98.

Great clearance sale of wall papers for the summer of 1901. Nice goods and low prices, at Sutherland & Sons.

Dairy butter 16 cents per pound. This butter is extra good quality, and sells elsewhere at higher prices. Richter Bros.

Commencing Tuesday, June 11 the C. M. & St. P. R. R. will make close connections at Troga for Elkhorn, Delavan and Racine.

The local camp of Modern Woodmen will make the trip to the Freeport picnic June 20 on a special train over the Chicago, Milwaukee & St. Paul railroad.

Four locomotive firemen on the LaCrosse division of the St. Paul road were overcome with the heat yesterday and had to be taken to the hospital.

The Children of Mary of St. Mary's church will give a lawn social on Dr. Woods' lawn, Thursday evening of this week. Smith's orchestra will play. Ice cream and cake 10 cents.

H. H. Jackson, the engineer in charge of the work on the interurban line, began the survey in the city yesterday. They are working on South Franklin and Jackson streets.

Dick Hogan of Beloit was robbed of \$130 yesterday by three unknown men in Murray and Hayes place at Beloit. He stepped into any alley in the rear of the place and was set upon by three men who succeeded in getting his money and escaping. They have so far given the police the slip.

An order has been issued by the passenger department of the Northwestern road that after June 15th all passenger conductors must wear white duck coats as a part of their uniform. The conductors say their white ducks will be black ducks at the end of a trip.

Tomorrow at Crystal Springs park a good time is in store for all who attend the picnic given under the auspices of St. John's Lutheran church. Games will be played, for which excellent prizes have been offered. During the afternoon the boat will leave her dock every hour. Good music during the afternoon and evening.

The orchestra of the Janesville School for the Blind will give a concert in Milwaukee Thursday evening at the North Side Turner hall, the object being to show what the orchestra is capable of doing, and also to obtain funds for the band. This will be the first time this organization has played for the public in Milwaukee, though concerts have been given at the state institutions.—Milwaukee Sentinel.

John O'Malley of Johnstown submitted to a difficult surgical operation, today when he had a cancer about the size of a hickory nut removed from the right side of his neck just below the ear. Dr. Joe Whiting performed the operation and is satisfied that it will be successful.

Marriage licenses were issued today to Eugene C. Noyes of Minneapolis, and Bertha E. Scofield of Janesville; and Gordon S. Simonds of Seattle, and Alice C. Petrick of Janesville.

TO USE RED BRICK ON NEW CHURCH

CHANGES MADE IN THE PLANS OF ST. MARY'S EDIFICE.

These Will Mean a Considerable Addition to the Cost But Will Greatly Increase the Beauty of the Structure—Front Elevation Will Also Be Improved.

Within the last two weeks important changes have been made in the plans for St. Mary's church which will not only mean the expenditure of over \$2,000 more than was originally intended but will greatly increase the beauty of the building.

The laying of brick began on Monday morning but instead of white brick, which were to be used, according to the original intention, the walls are being erected of a fine dark red Menomoneie hydraulic pressed brick of the highest grade. It is the best brick made and when St. Mary's church is completed it will be able to boast of the finest brick walls in the city.

The substitution of the red brick for the white was made at the suggestion of Rev. Father Goebel who was unwilling that anything should be put into the church but the best material and that which would stand the wear of time without checking, streaking or growing dirty looking. The red brick costs over double the price of the white and the white brick are being used in the wall back or the red.

The front elevation of the church has also been greatly improved by the addition of fancy panels of brick which will ornament the entire front of the church. Handsome stone ornamentation has also been added. The cornice will be of stone, two belts of stone will extend across the front of the building and there will be heavy arches of stone above the front rosette window, which is 16x21 and above the door. All the stone to be used for ornamentation will be gray Bedford stone and its combination with the red brick is richly effective.

There will be no galvanized iron ornaments to require frequent painting and repairs, stone having been substituted in every instance. Even the pinnacles on the towers will be of the Bedford stone, the new plan calling for the expenditure of over \$600 more in stone than was originally required.

The contractor is having difficulty to secure masons to lay the brick and continued efforts in Milwaukee have proved almost of no avail. Four expert masons are at work and the contractor would like to put twelve or fifteen masons at work immediately so as to rush the construction of the church.

It is expected that the walls will be completed within two months and that the roof will be on by the first of September. Much of the carpenter work is being carried on now. The window sashes are all completed and the trusses for the roof are being made so that everything will be in readiness for the carpenters to take up the work speedily when the masons finish the walls.

PAUL REVERE'S RIDE

Equally as famous is the Paul Revere line of coffees. Nothing finer is grown. Nothing finer is roasted. Nothing else will take its place. 20, 25, 30, and 35 cents per lb. GRUBB.

DR. HORNE BUYS HIS OWN MONUMENT

The Sturdy Old Englishman Procures a Big Iron Boulder for His Cemetery Lot.

Dr. William Horne has purchased one of the immense iron boulders which are being taken from the walls of the Janesville Barb Wire company's plant in preparation for their new addition, and tomorrow Eugene Fish will move the boulder to Oak Hill cemetery where it will be placed in position on Dr. Horne's lot. The boulder weighs between three and four thousand pounds and it is one of the unique ideas which have made Dr. Horne famous among those who know him to have this curious piece of workmanship serve as a monument.

Dr. Horne's idea is that it will withstand the attack of storms and will outlast the granite which is commonly used for monuments so that his last resting place will be marked long after he has passed from the scenes of this life. Although Dr. Horne has passed the four score mark in years his heart is still young and his relish of a good joke will doubtless cheat the boulder of the honor of reposing above his remains for many years to come.

THE NEWS FROM COUNTY TOWNS

THE GAZETTE AGENCY,
W. W. CLARK, Manager.
Milton, Wis., June 11, 1901.

The King's Daughters' fair on Wednesday and Thursday was in many respects one of the most successful enterprises that Milton has seen in many a year. The Milton house had been transformed, by the daughters, into a bower of beauty for the occasion and the articles contributed embraced the artistic and useful to such an extent that the purses of visitors opened freely. The sales were large and the buyers numerous. The supper that was served merited and received high commendation from well fed and filled patrons. The entertainment on Thursday evening, had the following program:

Music—A. Selected, orchestra; b. Lullaby, Lachmund, Bessie Thomas, Nellie Dunn, O. E. Orcutt, O. H. Greene.

Invocation

Music—"Home, Sweet Home," Frederick W. Root, Ladies' Chorus.

Reading from "A Kentucky Cardinal," part one, James Lane Allen, Miss Janette Atwood.

Piano solo, selected, Leo N. Coon.

Reading from "A Kentucky Cardinal," part two.

Duet—"The Adieu"—O. Nicolai; Miss Leo N. Coon, Mr. Gustav Seeger.

Solo—"Once in a Purple Twilight"—Eugene Cowles; Josephine Bullis.

Reading—a. To Have and to Hold—Mary Johnson; b. An Object of love—Mary E. Wilkins; Bessie E. Clarke.

Concert Waltz—Dudley Buck; Ladies' Chorus.

Music—King's Carnival, Orchestra.

It was a fitting finale and was listened to by a large and delighted audience. The ladies who managed the fair are entitled to great credit for the very successful manner in which it was conducted. The thanks of Milton College and its friends are due to the King's Daughters, both of this place and Milton Junction, and especially to the people of the latter village, who contributed not only very liberal patronage, but also generous gifts, and showed thereby a warm interest in the institution. The amount secured to apply on the college debt amounts to \$236.77.

The following is the corps of teachers in the high school for the next year: Prof. F. Hamilton, principal, of Oshkosh; Prof. F. Whitford, assistant principal, of Alfred, N. Y.; Miss Alice Holmes, grammar department, of Milton; Miss Alice Miller, second primary, of Milton; Miss Scott, kindergarten, of Menasha. Prof. Hamilton is the valedictorian of his class '01 in the Oshkosh Normal School. Prof. Whitford graduates from Alfred, (N. Y.) University, class of '01. Miss Holmes is a member of the class of '01 in Milton College and Miss Scott is a trained kindergarten teacher.

Mr. and Mrs. Underhill have been the guests of Rev. W. T. Millar and wife this week. They go East today.

F. A. Saunders and wife left Friday over the short line for Chicago, where they will join the coal dealer's association excursion, which has chartered the magnificent steamer, Manitou, at an expense of \$10,000, for a lake trip to Buffalo. They will spend four days at the Pan-American Exposition and a day at Mackinaw.

The "Cremona" quartette, Messrs. Gustav Seeger, Erlow Lofbom, L. A. Plaatts, Jr. and E. S. Green, kindly consented to appear at the concert Thursday evening and thereby added much to the pleasure of the audience.

R. P. Brown, of Chicago, has been in the village this week visiting relatives and friends.

Mrs. F. H. Story represented the Milton Rebekahs in Milwaukee this week.

P. M. Green made a business trip to Chicago Thursday and returned Friday.

Mr. and Mrs. E. H. Pullan left Sunday for the east. They will visit relatives in Rhode Island, Canada, stop at the Pan-American exposition and visit their son, Rev. R. B. Tolbert and wife, in Illinois on their return. They expect to be absent a month.

Mrs. F. A. Root of Appleton is visiting her parents, Mr. and Mrs. E. A. Holmes.

Messrs. E. L. Bingham and Clem W. Crumb attended the Grand Lodge I. O. O. F. in Milwaukee as representatives of Du Lac lodge.

Miss Belle Leonard who has been teaching at Evansville the past year is at home.

A light frost Friday night in this locality, but did no damage.

Carl Davy, day operator at Lone Rock, spent Sunday here.

S. C. Saunders built a fire Saturday in the edge of his strawberry field of two acres and the next day found it burned over and the crop destroyed. He estimates his loss at \$400.

Children's Day was appropriately observed at the M. E. church Sunday evening.

Rev. G. W. Burdick of Welton, Ia., has been in town for several days.

Rev. Dr. Platts is acting as assistant cashier at the bank in the absence of Mr. Pullan.

CLINTON.

Clinton, June 11—On Friday eve-

ning, June 14, occurs the graduating exercises of the Clinton high school in the Baptist church. The class this year numbers eleven: the Misses Edna Hudson, Myrtle Pangborn, Katherine Tuttle, Edna Conly, Jessie Smith, Maude Crippen, and Messrs. Dan Ames, Warren Lat-ta, C. A. Winkley, George Winkley, and George Kenyon, the latter carrying off the first honors of the class. It is an exceptionally strong class and it is expected that on that evening each one will do credit to themselves. Music will be furnished by Harden's orchestra. The baccalaureate sermon will be delivered by Rev. T. J. Parsons, Sunday evening, June 16th at the Baptist church.

Monday evening the alumni banquet will be given at Woodard's hall. About three hundred invitations will be extended this year.

On Friday evening, last, the seniors were tendered a delightful reception at the home of Prof. and Mrs. Loveland.

There have been extra trains added to the service of the C. M. & St. P. R. R., in which connections are made at Tioga station, with through trains going either to Madison or Chicago.

Wedding bells are sounding faintly in the distance.

Mr. and Mrs. Joseph Gates visited in Hebron the latter part of last week.

Our town will be well represented at the Mystic Workers' picnic at Batavia, on Wednesday.

Uncle Harry Colgrove, as he is familiarly known, is to spend some time with his daughter in Eau Claire.

Children's Day exercises were held in the Congregational church Sunday evening. There were plenty of flowers and the singing of canaries enlivened the occasion. All the little folks were out and performed their parts well.

Mr. and Mrs. Chas. Salisbury entertained a goodly number of their friends at their pleasant home last Thursday afternoon.

Mr. and Mrs. E. B. Kizer entertained a friend over Sunday.

Prof. and Mrs. R. E. Loveland visited in Janesville last Saturday.

Miss Emma Paulson has returned to her home to spend the summer vacation.

Six little children were baptized at the Congregational church last Sunday morning.

Mrs. Julia Smith is quite sick. A large company were present at the Missionary tea at the home of Mr. and Mrs. Patchen on Friday afternoon.

Mr. C. F. Curtis of Chicago, made a flying business trip to our precincts last week.

HANOVER.

Hanover, June 11—Sunday, June 9, will long be remembered by the residents of Hanover. On Saturday evening six ministers of the Lutheran church had already arrived to attend the conference to be held the Monday following and to be in time also to assist in the dedication of the new Trinity Lutheran church. On Sunday morning at 10 o'clock the people met at the school house and proceeded in solemn procession to the new church. Pastor C. H. Sommer, assisted by Rev. F. Bahr, of Lena, Ill., and Rev. S. Lefcovics of Ironwood, Mich., conducted the dedication services in which the excellent choir of Trinity church also had a prominent part. Mrs. E. G. Brown presiding at the organ. After the opening service and dedicatory exercises Rev. Fred Bahr of Lena, Ill., preached an appropriate sermon in the German language. An offering was taken amounting to forty dollars. Again at half past two o'clock an English service was held conducted by Rev. J. C. Kauffman, D. D., of Lena, Ill., who preached in "The Sure Foundation." This afternoon service was the culmination of the day's interest. Some three car loads of people had come in by special train from Janesville and the house was not only filled to overflowing but equally as many people had gathered without, the Hanover people kindly giving way to their guests from Janesville. Dr. Kauffman, after concluding his sermon, made an appeal for a final offering to the cause and the result was about \$110, making the offering for the day about \$150. It was a great day in Hanover and will long be remembered by the good people. The Board of Church Extension of the General Synod has made a generous donation to the new church, and the organization, less than two years old, thus starts out with an elegant house of worship and no debts to harass them. The Northern conference of the Wartburg synod convened Monday morning in the new church. Rev. Paul Bieger, president, of Belmont, preaching the sermon. Other ministers present not mentioned above, are Rev. Voelt of Oconomowoc, Rev. G. A. Weiss of Galena, and Rev. O. F. Ebert of Oshkosh.

EMERALD GROVE.

Emerald Grove, June 11—Mr. A. N. Wheeler and wife of Janesville is spending a few days with his cousin, F. H. Wetmore.

Rev. B. Royal Cheeney, a son of

Lorin Cheeney, so long connected with the local church will preach in the church next Sunday morning. He is very ably taking up the work for a time in connection with the Endeavor Academy. Let everyone give him audience.

The Duthie sisters will entertain the L. A. at the home of Mrs. Wm. Duthie on Thursday afternoon, June 13. A cordial welcome is extended to all.

The passenger trains on the Janesville & Southeastern will stop at Avalon as follows: Coming West, 5:58 a. m., and 5:28 p. m. Going West 12 a. m. and 5:52 and 8:29 p. m.

The musicians from the blind asylum came on Wednesday as advertised, and gave a very good entertainment, consisting of band, orchestra and orchestra, and solo music and singing by every one of their number. A threatening afternoon and rain at 7:45 kept most of the audience away. They will return in the fall and will be gladly welcomed.

Mrs. U. B. Taylor of Whitewater visited her daughter Mrs. E. C. Ransom last week.

The children's day exercises brought out a full house Sunday evening. The program was well arranged and in the rendering of it did credit to those in charge and to those who took part. The collection was \$6, which goes to S. S. Missionary work in Wisconsin.

James Gillies and daughter Luverna of Evansville, spent from Monday until Friday afternoon with his partner in the store last week.

Mrs. Wm. McNee of Cottonwood Falls, Kansas, is spending a few weeks with her parents, Mr. and Mrs. W. F. Goodrich.

Gillies & Jones received a carload of salt last week at the new station.

EVANSVILLE.

Evansville, June 11—Home grown strawberries have been on the market since June 1st.

Miss Warner, primary teacher in our public school, leaves for Colorado Springs today. She will attend college in that city next year. Miss Browning, our kindergarten teacher, sails for Europe in a few days.

Miss Best, vocal teacher at the Seminary during the school year just closed, took her departure for her home in Cicero, Illinois, on Thursday. She has a position in a young ladies' college at Cicero, Ark., for the year. Miss Hattie Green of Beloit will take charge of the department of music at the seminary this fall.

George Snell for two years a soldier in the Philippines, returned to Evansville today.

L. C. Brewer and family of Janesville spent commencement week in this city.

Rev. Le Baron of Dodgeville has purchased George Woods residence and will make Evansville his home.

Mrs. Walton Pyre greeted many of his friends at the Alumni reception on Friday evening. He read several selections in his usual entertaining style.

There have been graduated from our high school since 1873 276 young men and women. Prof. Van Hise of the University of Wisconsin was one of the first class to be graduated.

Clark Wilson of Janesville was last Wednesday of St. John's church in this city.

Mrs. Elsie Platt of Port Huron, Mich., is the guest of her aunt, Mrs. Hawley.

S. A. Hinkle, representing the Barnes-Groves Music Co. of Madison, Wis., sold a fine Franklin piano to Mrs. Emma Dixon of Oregon last week.

Prof. Kling and family will visit in Iowa for a few weeks and later attend the Pan-American exposition at Buffalo, New York.

Mrs. Arthur Burnham of Janesville and Mrs. Burnham of Baraboo were the guests of relatives during commencement.

ORFORDVILLE.

Orfordville, June 11—Eddie Hagen attended a party given in honor of one of his former classmates at Milton College, at Janesville on Friday evening.

Mrs. Carlsen, who has been spending the past few weeks with her daughter, Mrs. T. O. Wee returned to Janesville on Saturday.

H. O. Wee was a Janesville visitor Thursday.

Hon. H. C. Taylor was a Delavan and Janesville visitor on Wednesday and Thursday of last week.

Mrs. Margaret Margraff and son Harold, who have been spending a few days with her sister, Mrs. S. C. Dunn returned to Chicago Saturday last.

Mr. and Mrs. Richard Egan of Janesville are visiting with relatives here. Quite a number from here attended the dedication of the Lutheran church at Hanover Sunday.

A large number attended the temperance lecture by the Rev. Henry Co'man of Milwaukee at the opera house on Sunday evening.

A very pleasant surprise was perpetrated on Miss Cora Smiley at the home of Mr. and Mrs. George Parkhurst on Thursday evening. About seventy-five of her friends paid her an unexpected visit. A short program was rendered after which Hon. H. C. Taylor, in behalf of the school district in an able speech presented her with a beautiful oak rocker as a token of the esteem in which she is held and as an appreciation of her success as a teacher of the public school in their district, she having taught there the past two years. At midnight refreshments were served.

900 DROPS

CASTORIA

A Vegetable Preparation for Assimilating the Food and Regulating the Stomachs and Bowels of INFANTS & CHILDREN

Promotes Digestion, Cheerfulness and Rest. Contains neither Opium, Morphine nor Mineral. **NOT NARCOTIC.**

Prepared by **DR. J. C. FLETCHER**

Infants and Children

A Perfect Remedy for Constipation, Sour Stomach, Diarrhoea, Worms, Convulsions, Feverishness and LOSS OF SLEEP.

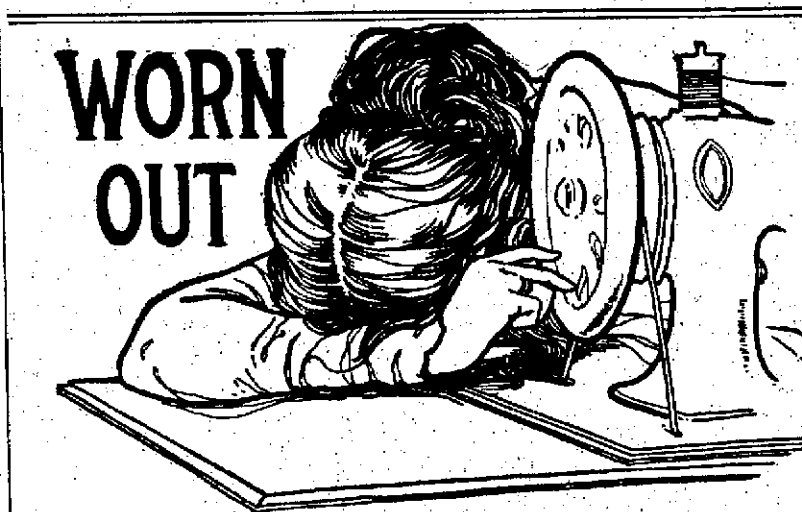

The Signature of

In Use For Over Thirty Years

CASTORIA

THE CENTAUR COMPANY, NEW YORK CITY.

Pale Weak, Run-down Overworked Women

half sick, nervous, tired out with household and maternal cares, constipated, liver torpid, with blotched, muddy, sallow complexions; blood thin and impure, need building up and a thorough renovation of their systems. This is the time you need such a great nerve and stomach builder as

LAXAKOLA

the great tonic laxative. It gently moves the bowels and thus removes the cause, and acts directly upon the liver and kidneys, keeping them active and strong, while its marvellous tonic properties clear the complexion, stimulates the liver, quickens the circulation, increases the flesh, brightens the eye; the nervousness speedily disappears, and the entire system recuperates and tones up to a condition of perfect and permanent health.

Laxakola, the great tonic laxative, is not only the most efficient of family remedies, but the most economical, because it combines two medicines, viz: laxative and tonic, and at one price. No other remedy gives so much for the money. At druggists, etc., and 50c., or free sample of THE LAXAKOLA CO., 135 Nassau Street, N. Y., or 356 Dearborn Street, Chicago.

LAXAKOLA FOR CHILDREN

Give the children Laxakola. It is absolutely safe, being purely vegetable, containing nothing of a harmful character. It builds the little ones up instead of debilitating them. It reaches every organ, cleanses and strengthens the liver and kidneys, purifies the blood and makes them hearty and strong. It tastes good. Children like it and ask for it.

Trade supplied by King's Pharmacy and People's Drug Store.

Plenty of Wood at \$6.50 and \$7.50.

MANY MILLIONS IN LIFE INSURANCE

INSURANCE PRESS GIVES INTERESTING FIGURES FOR 1900.

Over \$1,000,000 a Day is Paid Out—Eleven Million Industrial Policies Are Now in Force, the Most of Them Being for Persons of Average Means.

The Insurance Press in its current issue presents some interesting figures on the amount of life insurance money paid out during the past year, the number of policies in effect, and on the general growth of the business in the United States.

The insurance paper estimates that in every working day during 1900 American life insurance companies paid out nearly \$1,000,000 to the beneficiaries of their policies. No fewer than 11,000,000 industrial policies are now in effect in this country. Most of these are among the people of average means, but it seems that wealthy persons are coming more and more to invest in these policies.

The average policy for 1900 represents \$2,400 of insurance. This figure, however, represents the average for companies that do not transact an industrial business.

The statistics presented by the Insurance Press cover 6,200 cities and towns. The impressive exhibit is made possible by records which have been placed at the disposal of the statistician by life insurance companies, supplemented by reports from other sources, and by estimates as necessary required, the latter having been made upon carefully considered formulas.

Billions in Life Insurance.

"The amount of life insurance in force in this country," says the report, "is counted by billions of dollars. There are hundreds of millions of dollars more in force now than there was a year ago. Every year life insurance is being relied upon more and more as a reinforcement of individual effort for 'getting along in the world.' Whether the insured person realizes it or not, he is a unit in a vast army or brotherhood which 'bears one another's burdens.' No condition of society could be more healthful or beneficial.

"In the life insurance there is nothing of the pension system. Every person pays his own way. And while it happens frequently that many dollars are returned for a few dollars paid in premiums, the equities as between one man and his millions of brothers, are not disturbed, for the probabilities of death, age by age, have been carefully figured by actuaries. And that great force in financial affairs, interest by compound interest, which few men can find a way to harness for their own advantage, becomes, through the machinery of insurance, the common property of the insured and their beneficiaries.

"What life insurance is seen to be doing when the millions disbursed in the settlement of policy claims are traced to their tens of thousands of 'destinations' will interest every student of things sociological. Insurance gathers its resources in for the probabilities of death small sums from a wide area, but its returns are concentrated into relatively large payments."

Great Amount Paid Out.

The tables show the gross distribution of \$273,590,876 by American life insurance companies during the year 1900. Of that sum about \$45,000,000 was paid to policy holders in dividends or for the purchase of surrendered policies.

More than \$76,200,000 was distributed in the middle states last year, a considerable gain over the record of 1899; in the Central states the distribution amounted to \$36,300,000, a gain of nearly \$3,000,000 over the preceding year; in the New England states \$25,900,000 was paid out, something more than in 1899; in the southern states the payments reached \$20,500,000, or \$1,000,000 more than in 1899; the policy holders and their beneficiaries in the western states received \$15,400,000, about \$1,400,000 more than in 1899; in the Pacific states the payments were \$7,300,000, approximately equivalent to the payments in 1899.

Chalmers Calvert Morrison.

Chalmers Calvert Morrison, of the town of Center, Rock county, Wisconsin, was born April 16, 1833, in Venango, county Pennsylvania, traveled westward at the age of twenty-one years and locate at Logansport, Indiana, where he married Miss Elendera Bowser, March 18th, 1861. In the fall of 1865 he moved to Wisconsin and settled on the farm where he has lived, and died June 6, 1901. He left to mourn his loss his widow and seven children, all of whom were present at the funeral viz: Elmer Morrison, of Artesian, South Dakota; George Morrison and Mrs. Edward Jones of Evansville; Fannie, Blanche, Frank, and Fred, of the parental roof; and a large circle of mourning friends were present at the home mansion on June 9th to pay the last funeral rites to him they loved so well. The quartette of Church of Christ, Footville, furnished the music, with the organist, Mrs. Fred Fuller of Center. Elder Milton Wells, an old friend of the deceased, conducted the religious services, and C. C. Morrison was laid to rest in Oak Hill cemetery, with a floral tribute of respect. M. W.

NEWS AND NOTES OF BADGER STATE

The lake is fast making inroads into the beach along the shore at Sheboygan. The Chicago & North-Western Railway company has lost considerable of its yard room along the lake front and finds it necessary to rip-rap for at least 200 feet which work has already been begun. Above Michigan avenue another big cut has been made and the sea has washed a long distance into the embankment at Mayor Dennett's real-estate fence of the lumber yard of the Sheboygan Chair Co. is in the lake, while at Lake View park the water touches the steps at the foot of the terrace leading to the Beach hotel. Marine men say the change is due to the frequency of the northerly and north-easterly gales.

The arrangements are now practically complete for the Saengerbund which is to be held in the village of Kiel June 22 and 23. The festival will be one of the finest ever held in this section of the country and fully 500 men will participate in the chorus, and they will render some admirable numbers. Kiel village is making preparations to accommodate from 3,000 to 4,000 people, who will likely be present to hear the singing. Tents and other accommodations will be provided for those who wish to remain two days.

Arrangements have been completed with Capt. Farnsworth, manager of the Lakeview beach summer hotel at Sheboygan for holding the convention of the stationary engineers there and for the entertainment of the delegates. The sessions of the convention will be held in the Lakeview theatre, the dates being July 13 and 14. An excursion train will bring 400 people here from Milwaukee, 200 from Waukesha, 100 or more from Madison and large numbers from other places.

The Wausau county board postponed the establishment of a county agricultural and domestic economy school until the next meeting in September. The members of the board appointed a committee to draw plans and secure an estimate of the cost. There is much disappointment over the action as the people of the county are certain that some other county will take the opportunity and thus lose the school for them.

The state board of normal regents will expend \$23,000 in completing the planned improvements on the Stevens Point institution and \$13,000 more to complete those on the Oshkosh school. The bids for the work will be opened June 26, by which time it is thought the legislative apportionment will be available.

The prevalence of scarlet fever in nearly every part of South Kaukauna is causing no little anxiety. It is stated that there are nearly 100 cases in the city.

Rheumatism

Rheumatism is due to an excess of acid in the blood. When this escapes through the pores of the skin, as it often does, it produces some form of skin eruption—some itching disease like Eczema or Tetter—but when these little tubes or sweat glands are suddenly closed by exposure to cold and sudden chilling of the body, then the poisons thrown off by the blood, finding no outlet, settle in membranes, muscles, tissues and nerves. These parts become greatly inflamed, feverish and hot; dagger-like, maddening pains follow in quick succession, the muscles become extremely tender, the nerves break down and the sufferer is soon reduced to a state of helplessness and misery. This acid poison penetrates the joints and seems to dry out the natural oils, and the legs, arms and fingers become so stiff and sore that every movement is attended with excruciating pains.

Liniments, plasters, electricity and baths, while their use may give temporary ease, cannot be called cures, for the disease returns with every change of the weather.

S. S. S. cures Rheumatism by working a complete change in the blood; the acids are neutralized, the circulation purified and the rich, healthy blood that is carried to the irritated, aching muscles and joints, soothes and heals them. S. S. S. cures Rheumatism even when inherited or brought on by the excessive use of mercury. Opium, in some form, is the basis of nearly all so-called Rheumatic Cures, which deaden the pain but do not touch the disease and lead to ruinous habits. Alkalies and the potash and mineral remedies so often prescribed, affect the tender lining of the stomach and weaken the digestion, thus adding another burden to the already weak and impoverished blood. S. S. S. contains no mineral or dangerous drug of any kind, but is a simple, vegetable remedy and the most perfect blood purifier known. Send for our book on Rheumatism and write our physicians if you wish any information or advice. We would be glad to mail you a book free; we charge nothing whatever for medical advice.

AN ABSOLUTE FACT THAT GREGG'S COFFEES ARE THE BEST

Pan-American Exposition Company, D. S. Morgan Bldg., Buffalo, N. Y.

C. D. Gregg Tea & Coffee Co., Chicago and St. Louis. Buffalo, N. Y., Jan. 10, 1901.

I enclose you contract for the supply of coffee for the Bailey Catering Company, at the Pan-American Exposition, to be held in Buffalo during the coming summer. In the selection of your coffee, in competition with samples submitted by a number of the largest Importers and Roasters in the country, I have been governed entirely by the quality of the same. My experience with the coffee supplied to me during the past year or so by your house has been so uniformly satisfactory that I feel that I could do no better than to complete this arrangement with you. The amount of coffee which this involves will probably amount to as much or more than has ever been supplied to one consumer in the same length of time, and I congratulate you upon your enterprise in having secured this contract.

Very truly,
PAN-AMERICAN EXPOSITION COMPANY.

PRESIDENT SHOWS GREAT SAGACITY

Senator Quaries Says McKinley's Action in Declining to Run for Third Time Was Wise.

Milwaukee, Wis., June 12.—Senator J. V. Quarles said of President McKinley's refusal of a third term that he thought such action was eminently characteristic of the man. "I think," said the senator, "that it was very wise indeed for him to make such an expression at his time. The action of General Grant in 1880 showed that, however much the people of the United States might be attached to any man, they would not allow that attachment to carry them to the length of a third term. President McKinley is the last man to overlook this example of the people's feelings. His statement is only another illustration of his political sagacity and great good sense."

FISH DYING BY THOUSANDS

Shore at St. Joseph Strawn With Dead Lake Herring.

St. Joseph, Mich., June 12.—For the first time in the history of St. Joseph as a port on the east shore of Lake Michigan, thousands of lake herring, a small fish belonging to the whitefish family, have been dying by the thousands in the last forty-eight hours. Many theories are entertained by the leading fishermen as to the cause. It is thought probable in local marine circles that the fish are dying from some unknown poison food that has collected in the lake. The surface of the water near the shore is covered by dead fish, which are being carried to the shore by the sea. It is roughly estimated that fully 10,000 fish are collected along the shore between the government piers and the Broughton pavilion, and they are said to extend five miles south of this city. Owing to the fact that the herring is the only fresh water fish that can be marketed, either fresh or smoked, the loss will be keenly felt by the local fishermen.

Army Scandal Probable

San Francisco, Cal., June 12.—Louis Abrams and son George were arrested last night on the charge of illegally selling army supplies. It is thought that the exposure will result in a huge army scandal.

General Booth Very Sick

London, June 12.—General Wm. Booth, head of the Salvation army, returned from Paris on account of illness. His condition is serious.

Father Harlan returned to his home in Edgerton this morning.

LIGHT THROWN ON AWFUL MYSTERY

Body and Severed Head of a Woman Found Near Lowell, Mass., Has Been Identified.

Lowell, Mass., June 12.—The body of the decapitated woman found in the woods near Chelmsford Sunday was positively identified as Mrs. Frederick Blonid of Boston. An examination by physicians showed that the only marks of violence on the body were those caused by the decapitation.

The head of the body of the woman found in a Chelmsford wood lot on Sunday was discovered late yesterday afternoon by two detectives under a bridge near where the original discovery was made. The head is that of a woman about 35 years of age, with dark hair and sharp features. It was in excellent state of preservation and the coroner decided that decapitation probably took place within five days.

There was a comb in the back hair and the only additional things to aid in identification were an under set of false teeth and part of an upper set. The neck bore evidence that the head was severed by one blow from a very sharp instrument.

ENORMOUS DEATH RATE AMONG BOERS

King Edward Presents 3,000 War Medals to British Soldiers—Coronation June 25, 1902.

London, June 12.—King Edward of today prints statistics showing the enormous death rate among the Boer refugees at the Pretoria race track. Among thirty-one hundred refugees there have been eighty deaths in three weeks.

London, June 12.—King Edward officiated at a long and impressive ceremony this morning. His majesty presented three thousand war medals to British soldiers for gallant conduct. He gave each medal personally thus prolonging the ceremony three hours.

Truth announces today that King Edward's coronation will probably take place on June 25, 1902.

Will McIntosh looked over the local leaf tobacco market today.

Told by Pain

If you have pains you should look after them quickly. Pain shows something is wrong. The sharper the pain the more danger there is in delay. There are thousands of women to-day who are bearing awful pain almost continually, rather than tell a physician about the shooting pains in their lower abdomen, about the agony of falling of the womb and the distress of leucorrhoea. They let the months pass and their trouble becomes harder to cure and more distressing. But modest women can secure exemption from the embarrassment of a private examination. When pain tells them of danger they can cure themselves by the use of

WINE OF CARDUI

in the privacy of their homes. You can be cured without distressing publicity. With these facts before you there is no reason for the delay which is increasing your misery and wasting the days of your life. Why not stop the pain today?

Helen, Miss., March 9, 1900.

I have used one bottle of Wine of Cardui and one package of Theodor's Black-Draught. Before I began to take your medicines I had pains in my back, hips, lower bowels and my arms. Sometimes I thought I would go blind. My head ached and I was so weak I could hardly walk across the floor. Now I can only feel a little of the pain in my side and I am going to use your medicines until I get cured, for I believe they will certainly cure me. I have been married twelve years and am the mother of seven children. I thank you for your wonderful medicine and what it has done for me.

MATILDA SMITH.
